1938

We,

the staff of Lake Breezes,

dedicate this 1938 Lake Views to our

captain, Mr. Falls.

Mr. Falls has proven himself an able

helmsman and has ably piloted the

ship into the port that we now

find it.

OUR MEMORY'S CRUISE

A memory's cruise we're taking
This school year 37-38.
We're trying to bring gladness,
And get rid of strife and hate.

First we have the school board,
The directors of the line.
We wish to thank them kindly,
And think they're doing fine.

Second are the sailors,
A jolly happy crew.
They are the teachers
Who teach me and you.

The passengers come third.
They're graduation bound,
Although they must begin,
And start up from the ground.

The stowaways, as usual,
Come sneaking in brigades.
But these we very happily say
Are just our younger grades.

Our life boats and life-savers
We've left to near the end.
They're our extra activities,
And into this cruise blend.

The ads make up our cargo,
And if these we didn't get
There would not be a cruise,
On that you sure can bet.

SCHOOL HISTORY

Lake Township was first organized as an independent township in 1844. Prior to this it had been a part of Perrysburg and Troy Townships.

The records date back to 1849 when two school districts were formed. This number steadily increased and in 1876 there were eight. The largest number of districts was ten in 1900. Thirteen teachers were employed to teach the ten schools.

In June, 1908, the enumeration of Lake Township was four hundred twenty-one. During the next few years centralization of all schools was deeply considered. Then finally in 1908 a new building was constructed. The building was ready for occupancy in 1909. It is now known as the Grange Hall.

Mr. Arthur Swartz acted as the first superintendent and served from 1909 to 1915. Those through the years following were: Wilbur Bashore, 1915-1917; Chester Hanley, 1917-1918; Edgar McAlwain, 1918-1919; E. B. Graham, 1919-1924; C. T. Falls, 1924 to the present time.

The first class graduated from Lake Township School in 1911. For the first six years of its existence Lake was recognized by the State Department of Education as a high school of the second grade because there were only three grades in high school. In 1915 it became a first grade high school. It was then that the fourth year was added. This accounts for the fact that there was no graduating class of 1916.

As the enrollment increased, the previous school became too small and in 1921 a new building was constructed on a ten acre plot as near to the center of the township as possible. This modernly equipped building was ready for occupancy in 1922. There were then only 358 pupils.

In 1934 Millbury expressed a strong feeling to become a part of Lake. This issue was voted upon and passed.

During the years from 1909-1938 Lake has increased considerably in size and fame. It has become to be known as one of the outstanding schools of the county. A total of 470 pupils have graduated so far. It employs twenty-three teachers. This year there is an enrollment of 728 pupils.

OUR BOARD

The people of Lake Township have chosen for their board members capable men from the different localities of the township which are served by our school.

These men have worked faithfully and during their time as members of the board have done the things which they considered would be of most benefit to this community's greatest civic project and educational center, the school. Some of these men have spent numbers of years in the service as members of the board and have been re-elected. The new members of the board this year have been elected undoubtedly because they have shown their interest in seeing the community progress. We wish to congratulate those members who pioneered before. Their work was not in vain for we still are influenced by many of their beneficial accomplishments. Our present board consists of men from various parts of the township who represent different occupations.

Our president, Robert Peterson, has been a member of our board since 1923, when he was first elected. Mr. Peterson is a farmer living in the south-eastern part of the township.

Our vice-president, Clyde Hicks, has been a member of the board for two years. He is a farmer from the central section of the township.

Another member who also comes from the central portion of the township is Elmer Goodman. Mr. Goodman is serving this year as his first term. He too is a farmer.

Fred Nietz, Sr., represents the north-west portion of the township; he is a farmer and is doing fine in his second term of office.

Wayne Cowles is the representative from the Millbury district. He is the first alumnus from Lake High School to become a member of the board. Mr. Cowles is serving his first term.

John Pinniger is our township clerk. He, too, lives on the farm. Mr. Pinniger comes from the central part of our township.

FIRST-CLASS VOYAGES

VOYAGE I

We embarked upon our high school voyage in the year of 1934, as sixty frightened freshmen. We realized that we were the laughing stock of the ship, but we didn't let that worry us.

Our officers were: president, Dale Crandall; vice-president, Jim Baker; secretary, Glendale Schulte; and treasurer, Wilma Edwards. We selected the wise old owl as the emblem for our class pins. On Rally Day, May 24, our graduation exercises were held. Mr. Donald Smith of Van Wert was our speaker. We chose for our motto, "Not finished--just begun." Our colors were blue and silver; our flower, the yellow rose. A play entitled "The Pampered Darling" was presented by members of the class chosen by Mr. Nieman, our English teacher.

VOYAGE II

We began our sophomore trip with fifty-four passengers. The election of officers was the first event with the results: president, Erma Isch; vice-president Glendale Schulte; secretary-treasurer, Dondus Berndt. In October a Halloween Party was held at the home of Donald Moore. Our sophomore cruise was more or less uneventful except for the fact that both the boys and the girls began their basketball careers and that we won the cheering cup at the intramural games.

VOYAGE III

The junior voyage is always one of anticipation and we sailed away in the year of 1936 with a passenger list of forty-five members.

Election of officers was as follows: president, Dale Crandall; vice president, Roland Volker; secretary, Dorothy Krummel, and treasurer, Lucy Recker. We were proud to say that when the basketball season opened, a number of our members were represented on the teams. On November 17, a cast of ten presented the junior class play, "Eyes of Love." The proceeds from this production and from Farmers' Institute solved the problem of financing the Junior-Senior Banquet. Last, but far from least, came the event of our banquet in May, held at the Madison Tea Room, Toledo. After the banquet, we attended the Pantheon Theater.

VOYAGE IV

The senior cruise is the most outstanding cruise of all. We sailed gayly away on September 7, 1937. This trip we had been looking forward to since we were freshies. Our enrollment consisted of forty-one eager passengers.

The senior year is the year of class meetings, and our first meeting was for the election of officers. They were: president, Roland Volker; vice president, George Suter; secretary, Dorothy Krummel; treasurer, Mary Polyasko; and sergeant-at-arms, James Baker. The second big gathering was one of utmost importance-held for the purpose of selecting our class rings. One ring was selected by a unanimous vote, which is exceptional for a class of our size. Next came the meeting to decide when and where our graduation pictures were to be taken. October 19 was chosen as the date and the Northland Studio, as the place. Our next meeting of importance concerned the choosing of our invitations.

This year we were guests, rather than the hosts, of the Junior-Senior Banquet. Our banquet was held April 30 at the Women's Building, Toledo. The baccalaureate service was held at the St. Peter's Evangelical Church, Millbury, on Sunday evening, May 22, The senior class play entitled "Fickle Fortune" was presented on May 18.

Our cruise came to an end when we sailed into port on the evening of May 26, 1938, our graduation night.

CLASS WILL

We, the Senior Class of 1938, being of sound mind, memory, and understanding, do make public and declare this instrument to be our last will and testament, and we hereby revoke all previous wills and codicils there to us made.

To our old stand-by '39 we leave our seats in the assembly.

To our kid brother '40 we leave our intelligence.

To our youngest brother '41 we leave three more years of trying to think.

To Lois Dusing, Dondus Berndt leaves her place on the staff.

To Sammy Johnston, Virgil Bringman leaves his giggles.

To Richard Rideout, Louis Brossia leaves his blond hair.

To Laverne Kowalka, Phyllis Buehler leaves her place in the German Club.

To Elmer Asman, Richard Coy leaves his baseball ability.

To Howard Scott and Theodore Kaufman, Dale Crandall and James Baker donate their persistency of always coming into the assembly late.

To Farley Strawman, Noel Davis leaves his manliness and girl friends.

To Helen Mae Dalling, Wilma Edwards leaves her place as one of the best students in shorthand.

To Brother Harold Failor, Howard leaves his stomping around in the assembly.

To Dorothy Hitchens, Helen Falls leaves her day dreaming.

Leon Geisinger leaves his capability to do physics problems to Robert Booher.

Mary Ellen Grant, Mary Polyasko, and Ruth Bringman leave their position as typists on the staff to Frances Johnston, Betty Niles, and Erma Diefenthaler.

To Earl Leatherman, Lawrence Habel bestows his slightly elderly actions.

Loretta Hoffman leaves her flashing smile to Florence Young.

To Mary Swinehart, Erma Howe leaves her time that she spends dancing at the Trianon.

To Thelma Francis, Erma Isch leaves her skill on the basketball team.

Dorothy and Lyle leave their noon-day rendezvous to Connie and Clarence.

Dolores Luzader leaves her silence to Harriet Stoner.

Virginia Meyers leaves an empty desk for ink bottles for the services of Ruth Duling.

To Janet Aschbacher, Dorothy Mitchell leaves her vocal talent.

To Robert Dille, Fred Nietz leaves his cooking ability.

To Frances Jackson, Lucy Recker leaves her shortness.

To Wayne Keller, William Schreiber presents his Jimmy Durante profile.

Glendale Schulte leaves his sleepiness to Gilbert.

To Ed Nietz, Albert Shearer leaves his basketball ability.

To Frank Reed, Roland Volker bestows his crimson countenance at opportune moments.

To Wanda Winegardner and Lillian Kreamer, Mary Waggoner and Elinor Brock leave their place in home ec. class.

To Marcella Martin, Dollie Warner leaves some of her tallness.

Luella Wasserman leaves some of her chubbiness to anyone who needs it.

Rita Wasserman leaves her ability as a nurse to Dorothy Flury.

To Eileen Hochstetter, Betty Weiland leaves her slenderness.

Doris Welling leaves her caricatures to remain in the school.

Clara Coy wills her shyness to Thelma Edwards.

We appoint Mr. Bruning as our administrator.

In testimony whereof, we have hereunto set our hand at Millbury, Ohio, this twenty-seventh day of May, 1938.

SECOND-CLASS HISTORY

We began the fall of '35 as gangly, green freshman with an enrollment of sixty-six. The officers elected for that year were: Gilbert Hopkins, president; Robert Booher, vice president; Robert Young, secretary; Helen Mae Dalling, treasurer. Pins were purchased and a party was held during the year. The climax was the play and graduation on Rally Day.

Fifty-eight made the grade as sophomores--not quite so green but far from the finish. Officers for this year were: Frank Reed, president; Catherine Shearer, vice president; Betty Niles, secretary; Frances Jackson, treasurer. A few parties were held during the year, and each section published a paper and put on a program.

Back again just as sure as school started and there were forty-seven of us. The officers for the year were: Gilbert Hopkins, president; Lois Dusing, vice president; Connie Emline, secretary; Betty Niles, treasurer. The junior play, "A Sweeping Victory," was given by the following cast: Lois Dusing, Frances Johnston, Connie Emline, Linda Sweet, Betty Niles, Mary Swineheart, Gilbert Hopkins, Elmer Asman, Vernon Hoffman, Richard Rideout, Clarence Goeckerman, and Kenneth Knudson. The Farmer's Institute served as a means of expanding the treasury for the Junior-Senior Banquet, which was held at the Woman's Club on Saturday evening, April 30, '38. Lillian Kreamer was elected May Queen to be crowned on Rally Day at the May Day exercises. Junior attendants were Connie Emline and Catherine Shearer.

The third year had ended. Nothing remains but sweet memories of the past, and the glorious hopes and expectations for a better next year.

Each year a junior boy is selected by the American Legion post of Rossford, to represent this territory at Boys' State in Columbus for ten days in June. Last year the honor went to Roland Volker. This year Clarence Goeckerman was elected on the basis of scholarship, leadership, and character.

SOPHOMORES

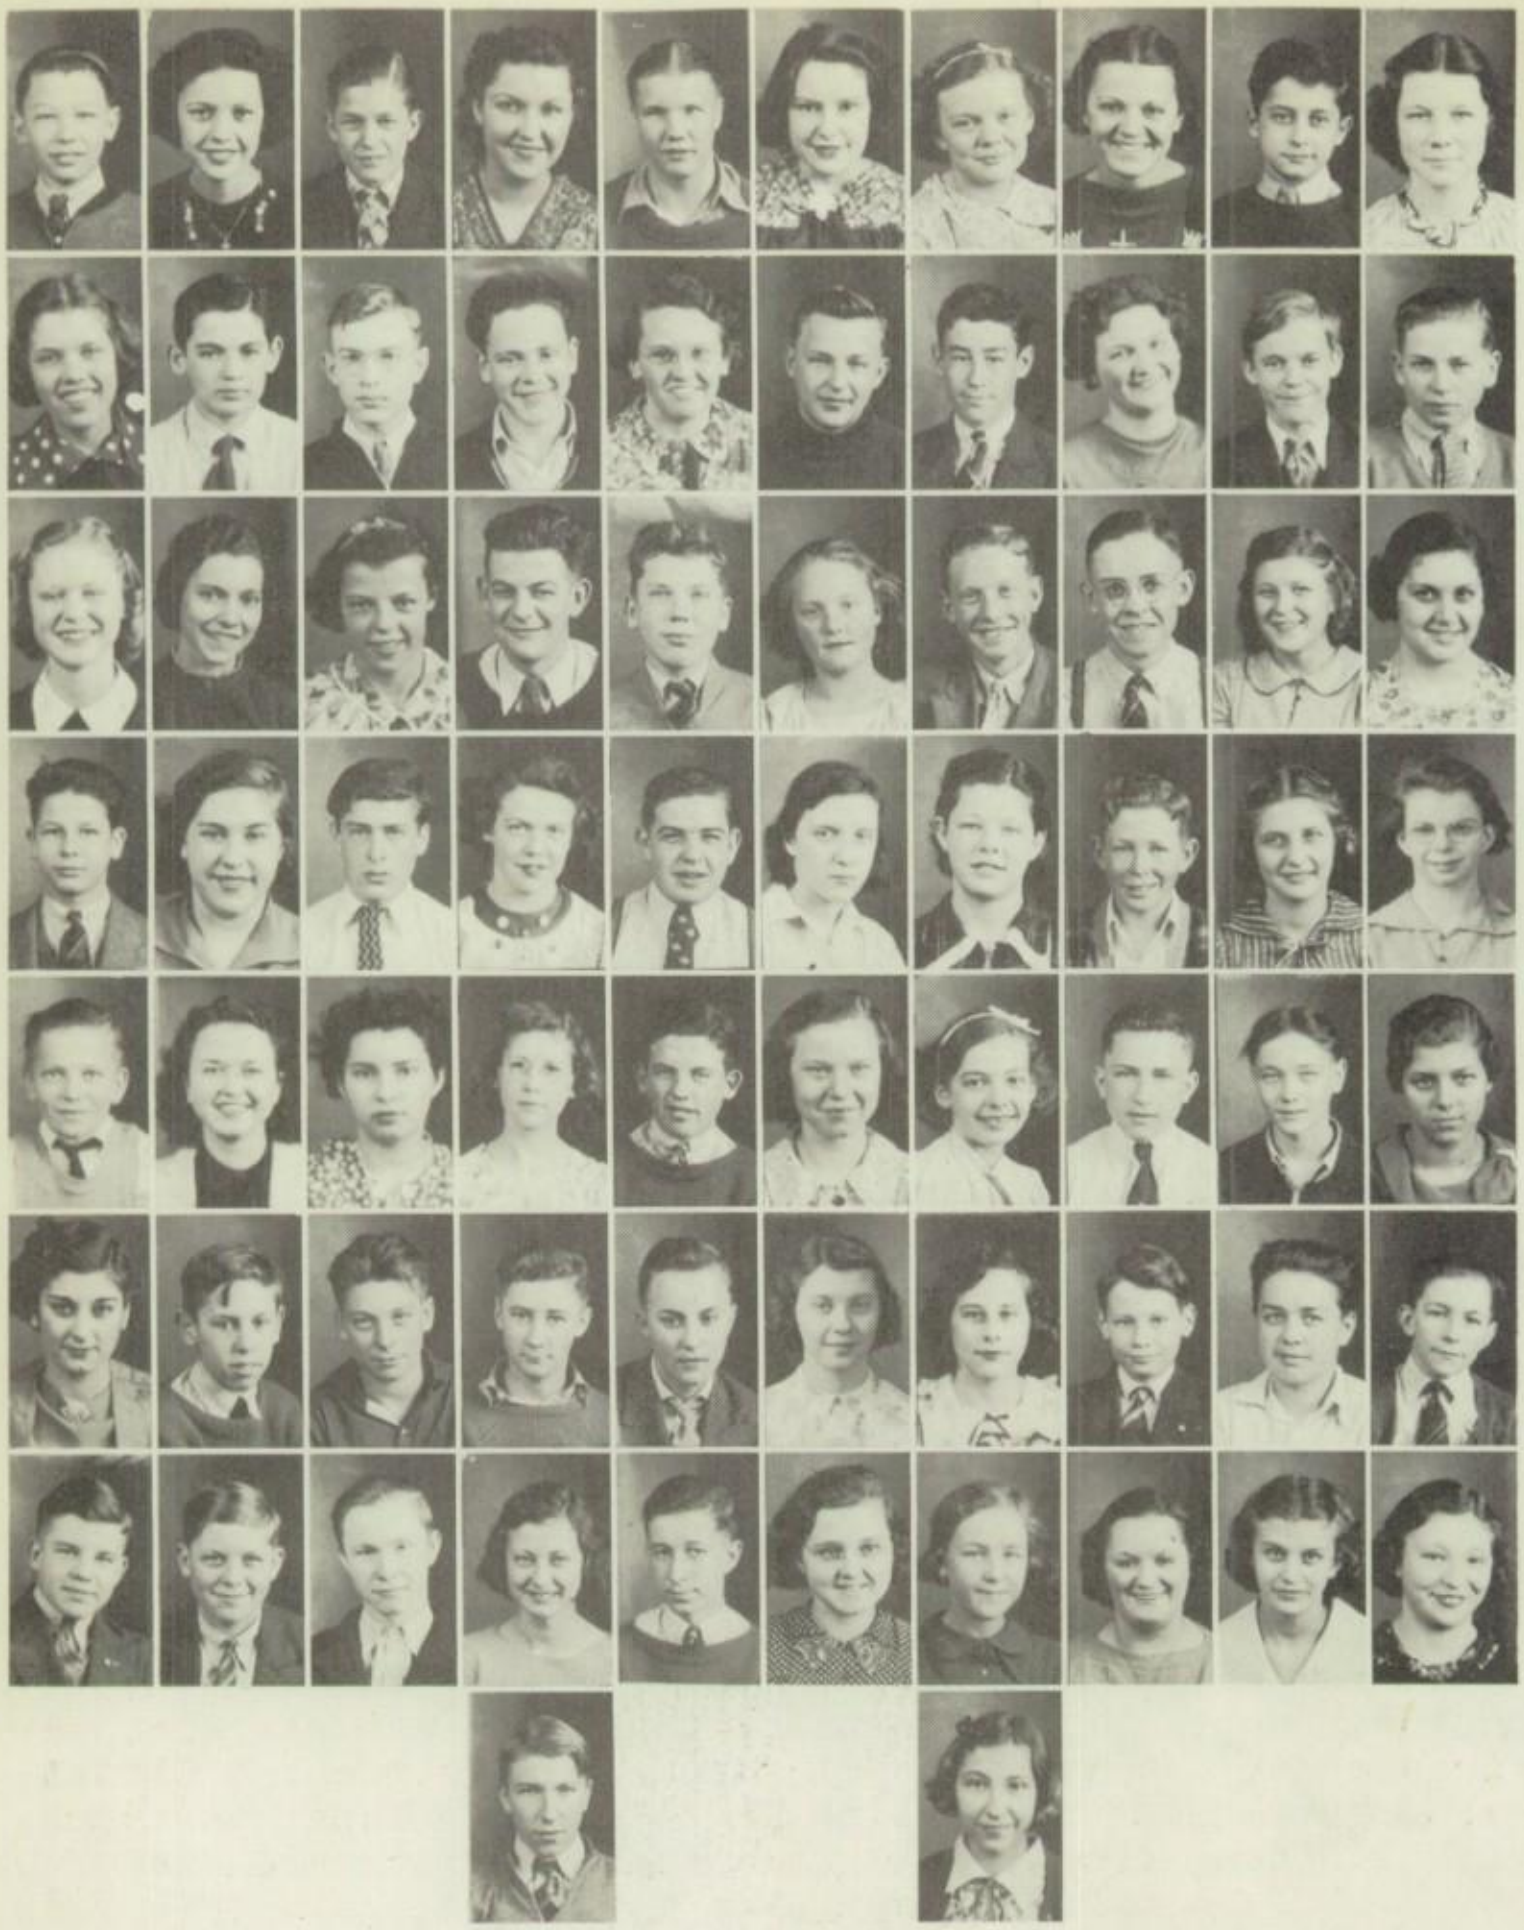
In the fall of 1936, seventy-three freshmen met in the biology room for their first class meeting. The following officers were elected: president, Merritt Korn; vice president, Jess Hopkins; secretary-treasurer, Dorothy Hicks. Later we entered a magazine contest and showed our ability in salesmanship. We received our freshman pins, and in May graduated from junior high school.

The fall of '37 found us back in school with an enrollment of sixty-seven. It was a relief to know that we were no longer "freshies" but sophomores. At the first class meeting in September the following officers were elected for 1937-38: president, Marion Bockbrader; vice president, Roscoe Sampsell; secretary-treasurer, Florence Young. A Halloween party was the first social event of the year. The sophomores edited the February issue of the LAKE BREEZES with the help of Miss Furry. Mabel Buehler and Janet Aschbacher acted as editors. And again as last year the sophomores took the cheering cup at the intramural games. Marie Beckman and Dorothy Hicks were the cheerleaders. A class party closed the sophomore year of 1937-38.

FRESHMEN

Seventy-six students made a good start for the freshman class of 1937-38. Our first class meeting was held in September. The following officers were elected: president, John Baker; vice president, Richard Lapish; secretary-treasurer, Clyde Schulte. Our first party was a Halloween frolic held with the sophomores on October 29, 1937. A magazine campaign was held again this year by the freshmen. The champion salesman was Julius Bitter who sold $36.25 worth of subscriptions. A party was held this spring for all who sold at least one subscription.

In the middle of the month of January, our class pins came. In the latter part of February, a meeting was held to decide upon our colors and cheerleaders for the intramural basketball tournament. Our colors were green and white and our cheerleaders were Joyce Kuebler and Jean Hicks. We even had a band. Graduation exercises were held on Tuesday evening, May 24.



FRESHMEN

Row 1: Norman Adkins, Edna Allore, Pete Allore, Doris Baker, John Baker, Ethel Barringer, Geraldine Belch, Judy Bella, Julius Bitter, Norma Bliss.

Row 4: Philip Guthrie, Donna Haynes, Edwin Haynes, Jeanne Hicks, Frank Hoffman, Catherine Hrbac, Iva Mae Isch, Ralph Johnston, Katherine Kaufman, Virginia Keller.

EIGHTH GRADE HISTORY

On September 8, 1937, the seventh graders started junior high school with an enrollment of seventy. We were divided into two sections. There are 36 pupils iin section one, and 34 in section two. Mr. Stout is our sponsor.

Class officers are: president, Grace Keller; vice president, William Goeckerman; secretary-treasurer, Ned Puse.

Our only party was a Valentine party.

A boys' sextet was chosen by Miss Prall. The members are: Ned Puse, Don Rudolph, James Dittman, Louis Weise, Richard Eckles, and Clayton Wies.

SEVENTH GRADE HISTORY

The eighth graders started the new year with 52 in the class. Mr. Hawver is our sponsor.

On the first day we elected officers. They were as follows: room chairman--Mary Ann Williams, room secretary and librarian--John Rudolph, president-Naomi Keller secretary--Myron Sundermeier, treasurer--Lewis Motycka.

We had three parties during the school term. In October we had a Halloween party; in December, a Christmas party; and in May, a party for selling magazines.

NATIONAL HONOR SOCIETY

Lake High School was granted a chapter of the National Honor Society, recently. At the present time there are only four other schools, in Wood County that have one of these chapters.

The purpose of the society is to create an enthusiasm for worthy leadership, to promote scholarship, create a desire to render service, and to develop character in the students.

To be elected, a student must be in the upper third of his class in scholarship, and be outstanding in leadership, service and character.

Not more than 15% of the senior class may be elected. Only 5% of the junior class may be elected during the sixth semester and not over 10% during their seventh semester.

The following members of the senior class were chosen: Dondus Berndt, Helen Falls, Leon Geisinger, George Suter, Roland Volker, and Mary Lavina Waggoner.

Lois Dusing and Constance Emline are the junior members.

To be elected for membership in the National Honorary Society is one of the highest honors that any school can bestow on its students.

FOOT LIGHTERS

HISTORY OF LAKE BREEZES

The graduating class of 1925 dedicated the first yearbook, THE ECHO, to Mr. Bruning. This was an engraved annual and was edited by Vera Rudolph. Miss Rudolph is now a teacher in the Millbury school.

In October, 1925, a group of Lake High students published the first LAKE BREEZES. It was in newspaper form and the four pages sold for four cents per copy. This paper was printed by the Sentinel-Tribune of Bowling Green. Herman Lilje was the first editor.

No records can be found for the year of 1926-27.

Kermit Clausing headed the 1927-28 staff. During this year a drastic change was made in the type of paper A magazine form with a colored cover was engraved at the National School Paper Press, Grand Rapids, Michigan.

The editor of 1928-29 was Paul Hinds. The twelve-page paper was a fine one with interesting pictures and write ups. A girl led the 1929-30 staff. She was Esther Lilje. Clifford Reed came to the top of the list in 1930 and remained there for two years. Carrol Aschbacher took over in the fall of 1932 with E. W. Nieman as faculty advisor, and the year 1933-34 found Don Schulte in the editor's chair.

In 1934-35 Naomi Woodward and her staff mimeographed the last four issues,and LAKE BREEZES has been mimeographed ever since. In the spring of 1935, they mimeographed an annual, the first LAKE VIEWS.

Lovetta Blair and her associate, Helen Recker, published the 1935-36 LAKE BREEZES and a lithographed LAKE VIEWS. Last year Walter Snyder was made faculty advisor and Betty Sandwisch with her staff continued the practice in a very commendable manner.

This year we became members of the Quill and Scroll, a national honorary school paper organization.

This year Dondus Berndt was editor-in-chief of LAKE BREEZES and LAKE VIEWS. Mary Lavina Waggoner and Lois Dusing were associates. Helen Falls was feature editor and the originator of this annual theme. Roland Volker headed the business staff with the help of Connie Emline and George Suter. Laverne Kowalka took charge of circulation.

FOOTLIGHTERS

The Footlighters had a late start this year; but in spite of the fact, we had a very active organization of sixty-two members. Officers for the year were: Dondus Berndt, president; George Suter, vice president; Loretta Hoffman, secretary-treasurer; and Betty Niles, reporter.

Late in the fall we were the guests of the Perrysburg Expression Class. Our group greatly enjoyed their production of "Lightnin'."

On Tuesday evening, April 26, we presented "Phantom Bells," a three act mystery, in our high school auditorium. The roles were played by Helen Falls, Frank Reed, Erma Howe, George Suter, Mary Waggoner, Leon Geisinger, Wilma Edwards, Howard Failor, Roland Volker, and Dondus Berndt. Mr. Walter Snyder, our faculty advisor, acted as director and producer. Proceeds from this play made a hard-covered annual a reality.

Mr. E. Nieman helped organize the present Dramatic Club in the spring of 1934. It was organized for those high school pupils who had good grades and were interested in dramatics. The standards of the club have changed somewhat since that time. The name Footlighters was selected by popular vote of the members in 1935.

HONOR GROUP

During the school cruise every passenger has a chance to make outstanding merits for himself. Each passenger who made an average of all "B" merits or above for the first half journey of the year 1937-38 finds his picture among those of the ship's honor passengers.

The three groups joined in presenting a Christmas Operetta, "Merry Christmas", a comedy in two acts. The date for the operetta came at the same time as our ice vacation but the characters chosen, willingly learned their parts and with a few practices were able to give a very successful operetta.

The high school girls' sextet was active from the first of the year. They found pleasant competition when the seventh grade boys' sextet was organized, for each had its public devoted listeners. The girls' last school performance was on Rally Day when, in costume, they sang three groups of songs.

The high school glee clubs, along with the Jr. High Chorus, participated in the Wood County Music Festival at Bowling Green, April twenty-first; the groups from Lake proved to be the largest representation from any school in the county.

INSTRUMENTAL MUSIC

The high school band, organized early in the school year, once more proved to be Lake's most prominent instrumental group. They made their first appearance on a literary program the first month of school. After that, the many usual occasions presented invitations for performances: basket ball games, school plays, Farmer's Institute, County Music Festival, Northwestern Ohio Band Clinic, and various community affairs. Work from the beginning of the term was directed toward the winning of band letters (assured by Lake this year for the first time in music). Letter requirements consisted of one-hundred credits based upon: playing ability, prompt attitude, neatness in dress when wearing band uniform and scholarship.

Due to the lack of varied instrumentation, an orchestra was not possible this year. However, violin classes were held each week and a violin quintet organized. It made several appearances and proved instructive as well as entertaining.

Other instrumental groups conducted continuously during our school year were the beginners' band consisting mostly of grade pupils, and the Jr. High Accordian Quartet.

Officers of the band were as follows:

President----------Noel Davis
Vice President----------Dorothy Lilje
Secretary Treasurer----------Alice Recker
Librarian----------Phyllis Berndt

Toy bands were organized in the first and second grade rooms both at Lake and Millbury.Selections arranged with vocal and tap dancing variations were performed at different programs throughout the year.

FUTURE FARMERS OF AMERICA

On June 6, 1937, a group of F.F.A. boys participated in the state judging contests at Columbus. Robert Schober placed fifth in agricultural engineering and Robert Booher sixteenth in the poultry judging.

Last year George Garner was selected as a state farmer. Only 2% of the F.F.A. boys of Ohio can obtain this distinction. This means that about 48 boys were selected from the state, and our chapter is proud to have a member of this rank.

On June 8 at the annual spring air show, the chapter parked cars in the school yard. Permission was granted to them by the schoolboard. The boys made about seventy dollars on that day.

The F.F.A. put on the first play of the school season on September 28, 1937. The characters in "You Wouldn't Fool Me" were: Fred Nietz, Connie Emline, Richard Rideout, George Suter, Dorothy Krummel, Lyle Kurfis, Robert Booher, Mary Lavina Waggoner, Helen Falls, and Wilma Edwards. The chapter made $51.48 net profit.

The gilts returned to the chapter by Fred Nietz were given to George Suter, Robert Young, and Ross Isel. A disease which got into Suter's herd killed the one. Boys who put in their bids first will receive the four gilts which are to be given out from those that Robert and Ross have.

On February 8, the annual parents' and sons' banquet was held. Mayor Bachman of Bowling Green was the speaker. Eighty-eight persons attended the banquet. Lyle Kurfis is president of the chapter, and he acted as toastmaster.

We accepted a pest hunt challenge from the F.F.A.'s of Pemberville-Risingsun and Gibsonburg. The hunt lasted from November 15 to January 10. The points were counted each week at one of the three schools. Gibsonburg was the winner. The two losing teams gave the winners an oyster supper on February 23 at Pemberville. Lake was the winner of the basketball tournament which was held between the chapters on that night.

A letter has been designed by the F.F.A. this year and has passed the approval of Mr. Falls. F.F.A. members are entitled to wear this letter after they have acquired one hundred points. These points are received for high grades, a continuation project, and various other things.

HOME ECONOMICS CLUB

The Home Economics Club has a total enrollment of fifty. This is the second year that Lake has had a club of this sort. The following officers were elected for the year 1937-'38:

President	Lucy Recker
Vice President	Helen Falls
Secretary	Alice Recker
Treasurer	Mary Polyasko
Reporter	Wilma Edwards

Initiation services were held later with a very impressive ceremony.

The class room work for the year was divided into units for each class. The second year class put on a style show for all the mothers. The girls displayed their fall dresses in this way. An afternoon tea was served to the mothers by the first year class.

The child observation unit was made very interesting by preparing and feeding dinners to small children.

Lake has a boys' home economics class this year. They prepared and served dinners to their fathers. They seem to be very much interested in the work.

The girls prepared and served the food for the basketball and F.F.A. banquets, the Farmers' Institute, and a dinner for the National Honorary Society.

The date for the annual Home Economics Convention was April 8 and 9. It was held on the university campus at Columbus, and the home economics clubs from all of Ohio attended. Ten delegates attended from Lake.

The year proved very successful under our leader, Miss Maxine Keith.

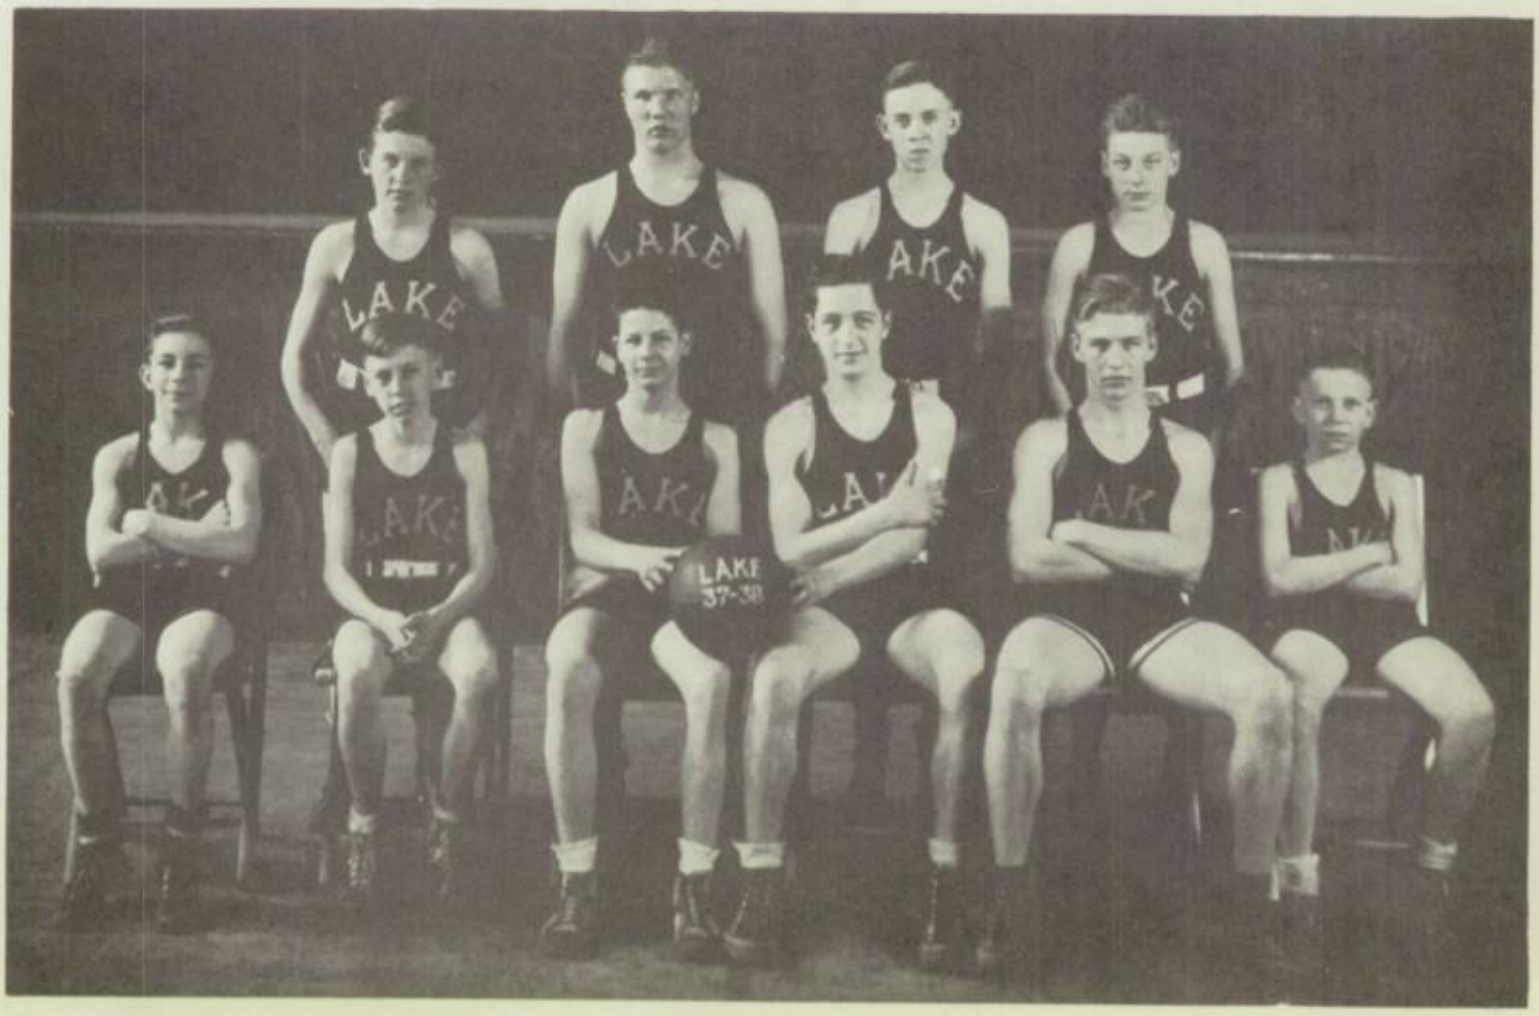
RESERVES



GIRLS' BASKETBALL

This year our girls' team started out with two new coaches, Miss Worley and Mr. Schlaff. The team also gained several new players who will be a credit to our school and squad in the next year or two. The middle of the season brought the girls new suits.

The team was composed of the following: seniors---Erma Isch, Dorothy Krummel, Dondus Berndt, Loretta Hoffman, guards; Ruth Bringman, Lucy Recker, forwards; sophomores---Hazel Dwight, Thelma Francis, Florence Young, forwards; Wanda Winegardner, guard; freshmen---Doris Cowles, guard; Alice Recker, Iva M. Isch, Dorothy Lilje, forwards. Dorothy Hicks, a sophomore and a guard, injured her knee early in the season. She acted as the girls' student manager for the remainder of the basketball season.

Our schedule and the results are as follows:

The fifth annual basket ball banquet was held on March 18 in the gym. The theme of Snow White and the Seven Dwarfs was used. Erma Isch, who was Snow White, was the toastmistress; and Mr. Robert Rettig from Scott High School was the guest speaker of the evening. Each team presented a gift of appreciation to its coach. The home economics class served the three-course dinner.

LAKE
BASE BALL

BASEBALL

Four years ago, with Skipper Benard at the helm, Lake's baseball team, consisting of an ambitious crew of twelve, won the Wood County championship. In the spring the crew took on three extras and continued to sail to new adventures taking the District Tournament at Tiffin, and then to the state. Here, you will remember, our crew was barely nosed out in its first battle with a hurricane called Reading. Howard Failor is the only one remaining now who played in Columbus, although Jim Baker, now playing on the team, was a reserve member of that crack crew. Howard played right field during his first year. Since then he has held various crew positions and now he is stationed at shortstop, and Baker is at third.

The next fall provided five more of our present crew. Clarence Goeckerman and Howard Scott have developed into very good pitchers and hitters. Elmer Asman and Harold Failor have been doing an excellent job defensively, but not so good at bat. Harold is playing first, while Elmer holds down second. Richard Coy came out in the spring of his sophomore year and has developed into a fair fielder and this year also seems to be hitting. Paul Gelacek saw a little service as a freshman.

In the fall of '36 two of the old crew, Jim Baker and Paul Gelacek, were not on deck when our ship was launched. Four more deckhands appeared at this time. Albert Shearer came from Waite as a junior. M. Bringman, William Sickles, and Richard Keller made their freshman debut. Marvin is now playing left field, while Sickles catches a lot of balls behind the plate. Richard Hanely also reported as a freshman in the spring.

Last fall Robert Nietz, a senior, was signed up as pitcher; he lacked playing experience. He now plays center field, as well as relief pitcher, and has been hitting. Richard Lapish, a freshman, saw a little action last fall. Here we have a fine baseball player, but he is off this spring due to an operation last winter. Other new members of the crew are: Philip Guthrie, John Baker, Frederick Peiper, Norman Dusing, and Clyde Schulte who are strengthening their arms at the oars. They are all working hard and are bound to be great future players.

Baseball met several severe squalls this spring, but with the season advancing we have proved better able to handle our ship and have nosed our way through to victory.

The baseball crew has found it an enjoyable cruise, and the seniors regret their passing from it, for many friendships have been formed.

TRACK

At the call for track men nearly thirty candidates reported to Coach Stout, who tried to impress on their minds the fact that any track man is only as good as he makes himself. The sport is largely individual work. It is the hardest and most trying of all sports.

Some boys worked hard to gain their place and others were indifferent and worked hardly at all. By the time of the County Track Meet, May 6 and 7, the group had been cut to thirteen boys who made the trip. These boys were: seniors---Fred Nietz, William Schreiber, and Howard Failor; juniors---Kenneth Knudson, Paul Gelacek, and Wayne Keller; sophomores---Roscoe Sampsel, Jess Hopkins Don Belch, and Frank Meyers; freshmen---Frederick Peiper, John Baker, and Lee Geisbuhler.

Many of the other boys who came out and practiced showed much improvement and with much practice between now and next spring will be ready to take their place on the team.

In early dual meets our team was not very successful in winning points, but we won a lot of sportsmanship and character in defeat. We were defeated by Waite, Wayne Maumee and Perrysburg.

In the County Meet the team as a whole took seventh place with 10½ points. Those with higher scores were Liberty 41, Wayne 38, Webster 25, Pemberville 21½, Bloomdale 16, Tontogany 12, and Lake 10½.

Our men who took places were: Fred Nietz, second in 220 yard dash and pole vault; Howard Failor, tenth in broad jump--distance of 18 feet 1 inch; Mile Relay Team received fifth.

With material left over and the experience gained this year, our track team should show decided improvement for the coming season. Let's practice all summer and win a lot of points for ourselves next year.

As this is written one more meet still remains. It takes place on Rally Day with Perrysburg, Woodville, and Lake competing.

MEET THE CHAMPIONS

Last year was our first year at debate, and we did not begin until Mr.Hawver arrived in February. Even with our late start we made a good showing, and trained three juniors who returned as veterans this year to form the nucleus for the 1937-38 squad.

On the first call forty-two debaters turned out for practice, but the group was quickly cut to twenty--then to twelve, and finally to two teams and an alternate--- the usual debate "squad."

Debating the question, " Resolved that the several states should adopt a system of unicameral legislation," this squad met forty-six teams and lost only twelve debates--an impressive record for any team.

The following are some of the achievements of this championship squad:
(1) Won the District Championship in the Ohio State Speech League.
(2) Tied for first place in Ohio State League Tournament at Clay.
(3) Tied for first place in Northwestern Ohio League Tournament at Port Clinton.
(4) Tied for first place in All Ohio League Preliminary Tournament at Heidelburg.
(5) Went to Quarter Finals in All Ohio League Elimination Tournament at Heidelburg.
(6) Lost only 26% of all debates.

GARNER'S FUNERAL HOME

Our Clients Make the Selection

No attempt is ever made in this establishment to in the slightest degree influence the selection of a casket or funeral service. We have always made it a policy to invite a free choice, influenced only by the individual family's desires and the amount which they wish to spend. There is a service and a casket in every conceivable price range, but no matter what the selection may be, the same sympathetic, personal attention is given in every case.

Trained attendants are on every call. We render the most complete invalid coach service.
